DETAILS

The Summer Riding Camp at ORR&RC is a fun and educational summer experience. Each session is a four-day program in riding and horsemanship. Our goal is to enrich each participant's riding ability, knowledge and understanding of horse care and showmanship. Each day provides a balance between riding, stable management, showmanship and fun horse-related activities!! We only accept a limited number of children each week so that the program is personalized and the riding lessons within camp will be in Groups of 2 or 3 at a time depending on the rider's level.

ATTIRE

All participants are required to wear an ASTM approved riding helmet, britches or jodhpurs, paddock boots, gloves, and a riding crop.
