

## PADDLE COURT POLICIES

### OVERVIEW:

To ensure that paddle is a safe and enjoyable experience for everyone, all members are asked to adhere to the below guidelines when using the paddle courts. Please note that all usage of the paddle courts is **at your own risk**, and members are fully responsible for their guest's adherence to the below policies. Furthermore, all court activity should be in accordance with local & state mandates, with members practicing social distancing and avoiding social gatherings.

### GENERAL GUIDELINES:

When entering and exiting Club premises and in all common areas (including restrooms) members will be required to wear a mask or "like in kind" face covering. Once on their assigned court, members will be permitted to remove their masks or facial coverings during play. Furthermore, for player safety, we ask that all members utilize the hand sanitizing stations provided when entering and exiting the courts. Restrooms are available inside the Ox Ridge Clubhouse (by using the main entrance).

### COURT USAGE:

The Paddle Courts are open for play daily, from 8:00am to 10:00pm, including weekends and holidays. Due to COVID-19 and contact tracing requirements, usage of the paddle courts is through advanced reservations only. Each member family (ie. only one player per family) will be permitted to reserve a court once per day, for up to a maximum of 1 ½ hours at a time. All clinics & special requests must be directed to Tokeneke Club Management in advance, for review and approval. Members are encouraged to bring their own water and towels but must take all personal belongings upon leaving the courts, as items left behind cannot be stored at the Club.

### COURT RESERVATIONS:

Paddle court reservations are **required** and must include the names of all players. Reservations must be made through the on-line reservation system. Court reservations can be made up to one week in advance, using our on-line reservation system at [www.tokenekeclub.org](http://www.tokenekeclub.org). Should you have any questions or need assistance with your booking, please contact Flo Enica at [flo@tokenekeclub.org](mailto:flo@tokenekeclub.org) or by phone at (203) 655-1481.

### COURT LIGHTING:

Access to the light switches for ALL four (4) courts can be found on a panel in the rear of court #1, directly across from the Clubhouse. This panel controls all four courts, with each court being individually labeled. To turn on the lights for your court, simply press the green button associated with your court number. Similarly, to shut off the lights after play, simply press the red button associated with your court number. We kindly ask that you please be sure to turn off the lights after play.

### HEALTH & WELLNESS:

To ensure everyone's health and safety, the Club recommends that individuals who are most susceptible (age 65/older and those with underlying health conditions) refrain from play. Furthermore, members who are exhibiting or experiencing any symptoms of the coronavirus (respiratory illness, fever, cough, or difficulty breathing), have been exposed to someone with COVID-19 or traveled to one of these [states](#) in the past 14 days, must refrain from using the paddle courts. Those individuals who have tested positive for COVID-19, must complete a 10-day quarantine and be symptom free (including fever free for a minimum of 72 hours) prior to utilizing the courts. Lastly, if at any time, a member feels ill or contracts the virus during or after utilizing the Club paddle courts, they are asked to immediately contact the Tokeneke Club's General Manager, James Reisig at [jreisig@tokenekeclub.org](mailto:jreisig@tokenekeclub.org). All correspondence will be handled with discretion, and privacy for all involved.
